

The Center for
Loss and Bereavement

2016-2017

Professional Roundtable Training Schedule

The Center for Loss and Bereavement is committed to providing quality education for professionals who work with people who have experienced the death of a loved one or are facing life threatening illness. We are pleased to present our 2016-2017 schedule of Roundtable Trainings. All of our trainings are:

- Presented by Master's prepared professionals who are Certified in Thanatology (CT) by the Association of Death Education and Counseling
- Approved for 3 CEU credits by the PA State Board of Social Workers, Marriage and Family Therapists and Professional Counselors
- Designed for small groups, space is limited so register early

October 20, 2016: 9:00 a.m.-12:15 p.m. Exploring Anticipatory Mourning - 3CEUs

What is it? What does it look like? What are the challenges of working with people who are trying to cope with life-threatening or terminal illness in themselves or a loved one? We will explore the path of Anticipatory Mourning.

March 16, 2017: 9:00 a.m.-12:15 p.m. Young Adult Grief - 3CEUs

Coping with grief in the young adult years is often complicated by expected life transitions such as, leaving for college or the military or embarking on independent work life. This training will focus on the ways in which this population responds to loss and what helps them.

April 27, 2017: 9:00 a.m.-12:15 p.m. Stigmatized and Disenfranchised Grief – 3CEUs

We will take a look at the experience of people who are grieving losses that conventional social supports sometimes neglect or avoid. The losses include but are not limited to death as a result of murder, suicide, drug and alcohol addiction and/or loss in the LBGTQ community. We will learn what these grievers need and how we can meet their needs.
