The Center *for* Loss and Bereavement

Dear Community Partner,

For 20 years, The Center for Loss and Bereavement has served the area as a local non-profit organization, providing professional counseling, support services, and education for children, adults, families, schools, and organizations dealing with the impact of profound grief and loss.

In July, we will host the second annual Fields of Hope Sunflower Fundraiser. This event will benefit our services and mission. It offers an opportunity to pick your own sunflowers right from a local farm in Worcester! The Smith Family has planted fields of stunning sunflowers to help raise awareness and hope for those dealing with grief and loss. Last year we had over 500 people participate in picking, Plein Air painting, professional photography, and more! Looking forward to welcoming more people this year!

We rely on others in the community to strengthen our reach to those seeking a place of sanctuary, perspective, and healing growth through grief. Please join us and become one of our partners in supporting our mission. We are requesting local businesses and individuals to become one of our sponsors for this event. In recognition of your generosity, you will receive unique sponsor benefits.

- SUNFLOWER SPONSOR \$10,000
- HARVEST SPONSOR \$5000
- FIELD SPONSOR \$2500
- ROOT SPONSOR \$1000
- SEED SPONSOR \$500
