

The Center *for* Loss and Bereavement

Dear Community Partner,

For over 20 years, The Center for Loss and Bereavement has served the area as a local non-profit organization, providing professional counseling, support services, and education for children, adults, families, schools, and organizations dealing with the impact of profound grief and loss.

In July, we will host the fourth annual Fields of Hope Sunflower Fundraising Event. It offers an opportunity to pick your own sunflowers right from a private, local farm in Worcester! The Smith Family has planted fields of stunning sunflowers to help raise awareness in support of the those in our community who are grieving. Last year we had over 500 people participate in picking, professional photography, and more! Looking forward to welcoming more people this year!

We rely on others in the community to strengthen our reach to those seeking a place of sanctuary, perspective, and healing growth in their grief journeys. We would like to invite you to become a valued sponsor of the Fields of Hope. With your support, we can make this event a resounding success. In recognition of your generosity, you will receive unique sponsor benefits listed in the attached chart. Thank you for considering our sponsorship request!

- ☐ SUNFLOWER SPONSOR \$20,000
