

PROFESSIONAL TRAINING WEBINAR

ABC's of Children's Grief

*On-Demand **FREE** Webinar*

In recognition of Children's Grief Awareness Month, we are offering a limited-time, **FREE** professional training that explores the various facets of children's grief and provides practical strategies for supporting them throughout their journey.

We invite you to join us in raising awareness about the profound impact of grief on children's emotional and developmental well-being. Together, we can emphasize the importance of compassion, understanding, and access to appropriate support and resources—helping children heal, grow, and thrive.

The Center for Loss and Bereavement is approved by the Pennsylvania State Board of Social Workers, Marriage and Family Therapists and Professional Counselors to offer continuing education to social workers, marriage and family therapists and professional counselors. The Center for Loss and Bereavement maintains responsibility for this program.
